

As a 501(c)(3) organization we are proud of the quilts we donate to local organizations to provide comfort to others. We make quilts for children, teens, and adults throughout the Delaware County community.

We welcome quilt donations from members and non-members alike. Quilts can be made as group effort or by individual makers. We provide FREE donation kits with simple

instructions that are perfect for sewers of all levels. You are welcome to donate quilts of your own design made with your fabrics if you prefer. You can find additional patterns on our website Undercoverquilters.com.

We also make and donate pillowcases, supporting Ryan's Case for Smiles organization. They are distributed to sick children in local hospitals. Pillowcase directions are located on our website Undercoverquilters.com. Kits for both quilts and pillowcases are available for pick up and finished items can be dropped off at our monthly meetings held on the second Monday of the month at 7 pm at the Brookhaven Municipal building.

You can also contact the Community Outreach Chairs with any questions by emailing comfortquilts@gmail.com. We appreciate any help given to provide quilts and pillowcases to those who need comfort!!
